MS4 Municipal Compliance Certification(MCC) Form

MCC form for period ending March 9,

2	0	2	1
---	---	---	---

Name of MS4	Village of Hillburn
-------------	---------------------

SPDES ID

N	Y	R	2	0	A	1	6	7
---	---	---	---	---	---	---	---	---

Each MS4 must submit an MCC form.

Section 1 - MCC Identification Page

Indicate whether this MCC form is being submitted to certify endorsement or acceptance of:

- An Annual Report for a single MS4
- A Single Entity (Per Part II.E of GP-0-10-002)
- A Joint Report

Joint reports may be submitted by permittees with legally binding agreements.

If Joint Report, enter coalition name:

[illegible]

Name of MS4 Village of Hillburn

SPDES ID

N	Y	R	2	0	A	1	6	7
---	---	---	---	---	---	---	---	---

Section 2 - Contact Information

Important Instructions - Please Read

Contact information must be provided for *each* of the following positions as indicated below:

1. Principal Executive Officer, Chief Elected Official or other qualified individual (per GP-0-08-002 Part VI.J).
2. Duly Authorized Representative (Information for this contact must only be submitted if a Duly Authorized Representative is signing this form)
3. The Local Stormwater Public Contact (required per GP-0-08-002 Part VII.A.2.c & Part VIII.A.2.c).
4. The Stormwater Management Program (SWMP) Coordinator (Individual responsible for coordination/implementation of SWMP).
5. Report Preparer (Consultants may provide company name in the space provided).

A separate sheet must be submitted for each position listed above unless more than one position is filled by the same individual. If one individual fills multiple roles, provide the contact information once and check all positions that apply to that individual.

If a new Duly Authorized Representative is signing this report, their contact information must be provided and a signature authorization form, signed by the Principal Executive Officer or Chief Elected Official must be attached.

For each contact, select all that apply:

- Principal Executive Officer/Chief Elected Official
- Duly Authorized Representative
- Local Stormwater Public Contact
- Stormwater Management Program (SWMP) Coordinator
- Report Preparer

Section 3 - Partner Information

Did your MS4 work with partners/coalition to complete some or all permit requirements during this reporting period? ☒ Yes ☐ No

☒ Yes ☐ No

If Yes, complete information below.

Submit a separate sheet for each partner. Information provided in other formats will not be accepted. If your MS4 cooperated with a coalition, submit one sheet with the name of the coalition. It is not necessary to include a separate sheet for each MS4 in the coalition.

If No, proceed to Section 4 - Certification Statement.

4. Evaluating Progress Toward Measurable Goals MCM 1

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

The Village on-going goal is to increase the public participation and awareness of various opportunities to participate in educational programs. All Village staff in relevant positions will continue to attend seminars and educational programs. Cornell Cooperative has offered contractor training in Erosion Control and Fertilizer Application which has been actively attended by area contractors. During Covid-19, virtual courses and information was offered through the Consortium.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

The Village is an active member of the Storm. Consort. which provides numerous venues to reach out to the public to participate in educational programs. This year was unusual due to Covid-19 thus the annual programs generally offered by the village did not occur. There were many opportunities for virtual participation through Zoom or other platforms, and email blasts. The village boards were posted with information. We are optimistic this year will return back to the usual in person programs

C. How many times was this observation measured or evaluated in this reporting period?

		1	2
--	--	---	---

(ex.: samples/participants/events)

D. Has your MS4 made progress toward this Measurable Goal during this reporting period?
☒ Yes ☐ No
E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?
☒ Yes ☐ No
F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

The Village will continue to post events & opportunities for participation on the web site, facebook, email blasts, the newsletter, on the bulletin boards. The Village will continue to notify the staff of educational opportunities & encourage attendance. The Village will notify the residents & public of the affiliation with the Stormwater Consort. & for the ability of the residents to directly benefit from the numerous programs offered. The Consortium site is linked to the Village web site.

7. Evaluating Progress Toward Measurable Goals MCM 2

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

The Village goal is to continue to reach out to the public and to residents informing them of opportunities to participate in events. Advertisements for public hearings will continue to be placed in the RC Times, the Journal News or the Rockland Review so residents and the public may also participate in public hearings. The Village held virtual meetings during Covid-19. The Village web site is now linked to the Stormwater Consortium site. E mail blasts provide regular, timely

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

Though Keep Rockland Beautiful did not sponsor the usual annual clean up, residents individually held their own clean up events. A total of 5 people participated collecting approximately 20 trash bags. Residents continue to perform clean up events on an informal, individual basis throughout the year. The Village now participates in a regional effort called the Green Team. The village held both a Hazardous Waste drop off day and E Waste drop off day at the DPW which was successful.

C. How many times was this observation measured or evaluated in this reporting period?

		1	2
--	--	---	---

(ex.: samples/participants/events)

D. Has your MS4 made progress toward this measurable goal during this reporting period?

☒ Yes ☐ No

E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?

☒ Yes ☐ No

F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

The Village will continue to be pro-active in encouraging participation and ensuring the public is aware of the various opportunities that exist. The Village will again continue to have the annual Hillburn Day Clean Up events in the future. The Village remains an active member of the Stormwater Consortium and an active member of the Green Team. A Shredding Program is in the planning stages.

12. Evaluating Progress Toward Measurable Goals MCM 3

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

The Village goal is to inspect every catch basin and outfall annually. 100% were inspected this reporting period. ; 12 were found to be in need of cleaning and repair. 100% of the outfalls were inspected for illicit discharges during dry weather conditions.
The legal action taken by the Village to address an illegal filling activity on Creelman Road that commenced in the prior reporting period continues.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

This goal of performing inspections has been successfully accomplished and has become an annual, routine program.

C. How many times was this observation measured or evaluated in this reporting period?

		1	2
--	--	---	---

(ex.: samples/participants/events)

D. Has your MS4 made progress toward this measurable goal during this reporting period?
☒ Yes ☐ No
E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?
☒ Yes ☐ No
F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

The Village will continue to perform inspections of the outfalls & the stormwater system. Maintenance and repairs will continue on an on-going basis. Electronic data collection has continued. The Village plans to enhance the stormwater maps by adding details regarding the conveyance system, pipe sizes & direction of flow, with the next round of grant monies that became available through the stormwater consortium.

7. Evaluating Progress Toward Measurable Goals MCM 4

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

The Village goal is to inspect 100 % of active construction sites within the Village. There were no large projects requiring a SWPPP this reporting period. The smaller projects with a disturbance of under 1 acre are inspected by the building dept. or engineering consultant to ensure erosion control measures and best management practices for construction are in place.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

There was no active SWPPP construction sites within the Village within this reporting period. There have been no new SWPPP's approved. Small projects are inspected by the Village staff with assistance from the engineer's office on an as needed basis. The single family dwelling on the Scott property on Old Route 17 was under construction and inspected multiple times. The inspection process implemented has been very effective.

C. How many times was this observation measured or evaluated in this reporting period?

		1	2
--	--	---	---

(ex.: samples/participants/events)

D. Has your MS4 made progress toward this measurable goal during this reporting period?

☒ Yes ☐ No

E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?

☒ Yes ☐ No

F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

The Village will continue with the procedures and protocols established for reviewing and monitoring SWPPP's as they are submitted to the Boards and to the Village Engineer for review.

6. Evaluating Progress Toward Measurable Goals MCM 5

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

The Village goal is to review and monitor 100% of the projects that have implemented SWPPP's in accordance with the procedures and protocols in place. These tasks would include performing inspections, maintenance and follow up reporting as outlined in the specific SWPPP.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

This SWPPP review and inspection protocols implemented have been effective to date. There are no active projects currently under construction. There is one existing stormwater basin within the Village that are maintained by the property owner, Transdev. Visual inspections are performed by the Village DPW to ensure the property owner is complying with maintenance. The building dept. follows up on the required annual reporting by the property owner to ensure compliance.

C. How many times was this observation measured or evaluated in this reporting period?

		1	2
--	--	---	---

(ex.: samples/participants/events)

D. Has your MS4 made progress toward this measurable goal during this reporting period?
☒ Yes ☐ No
E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?
☒ Yes ☐ No
F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

The Village has the procedures and protocols in place. There is currently no active SWPPP projects. We will continue with the current protocols in place upon receipt of any new project requiring a SWPPP.

Minimum Control Measure 6. Stormwater Management for Municipal Operations

The information in this section is being reported (check one):

☒ On behalf of an individual MS4

☐ On behalf of a coalition

How many MS4s contributed to this report?

--	--	--

1. Choose/list each municipal operation/facility that contributes or may potentially contribute Pollutants of Concern to the MS4 system. For each operation/facility indicate whether the operation/facility has been addressed in the MS4's/Coalition's Stormwater Management Program(SWMP) Plan and whether a self-assessment has been performed during the reporting period. A self-assessment is performed to: 1) determine the sources of pollutants potentially generated by the permittee's operations and facilities; 2) evaluate the effectiveness of existing programs and 3) identify the municipal operations and facilities that will be addressed by the pollution prevention and good housekeeping program, if it's not done already.

7. Evaluating Progress Toward Measurable Goals MCM 6

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

The Village goal is to continue with the maintenance and up-keep of all Village facilities. All of the outfalls were inspected for illicit discharges. Due to Covid the village DPW staff were on limited hours/schedule and only performed critical tasks and services.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

The recycling program and bulk pick ups continue to be fully adhered to by the residents with approx. 80 tons collected by Solid Waste Management. 12 catch basins were cleaned and re-built. An E Waste collection program, and Hazardous Waste collection program has been implemented within the village to facilitate easier drop off by residents. This program was successful.

C. How many times was this observation measured or evaluated in this reporting period?

		1	2
--	--	---	---

(ex.: samples/participants/events)

D. Has your MS4 made progress toward this measurable goal during this reporting period?
☒ Yes ☐ No
E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?
☒ Yes ☐ No
F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

The Village has retained an environmental consultant to address the Village Pond vegetative overgrowth and water quality issue. Within a five year period the Village plans to purchase a new leaf grinder to replace a 1993 model. This is used for turning leaves to mulch to reduce the overall volume of material when depositing in the NYSDEC approved site for vegetative materials. A new salt shed is planned for the future.
