MESSAGE FROM THE MAYOR – Joseph P. Tursi

-As the weather warms construction will soon begin to replace the Fifth Street department of public works storage building. The former structure has been demolished and the debris has been removed.

-A new pump has been purchased for the pond at Veterans Memorial Park. Once installed, piping will connect the pump to the pond with a continuous feed of water to keep the pond at a workable level.

-Re-construction of the culvert on Sixth Street has been put on hold, due to delays of funding from FEMA (Federal Emergency Management Agency).

If you see any suspicious activity around the village, please contact the Ramapo Police Department at 845-357-2400. School will soon be out, so please keep an eye out for children.

Enjoy your summer.

HILLBURN COMMUNITY SCHOLARSHIP PROGRAM – David K. Farrison, Chair

The Scholarship Committee has scheduled our Twenty Second Awards Ceremony for June 15th at 2pm in the Hillburn Community Room. All are welcomed to attend and help us acknowledge our 2024 Hillburn Community Scholarship Award Recipients. It will also be an occasion to celebrate this year's Honoree, our own Tom Lyons. Our Keynote speaker will be Suffern Central Board Member Darrell Frasier. Please join us for this annual community event. We look forward to seeing you there!

.....
HILLBURN SENIOR CITIZENS ORGANIZATION - Diana DeGroat, President

Our senior club has informative programs and demonstrations such as a recent visit by Rockland County Healthy Neighborhood Program staff who set up home visits for members for the installation of smoke and carbon monoxide detectors and for radon testing. At the last meeting, Ramapo Police Canine Officer Mike McCrory and his partner Rider showed us how this dog protects us from possible explosives. We enjoy social events such as our recent pizza party, and look forward to our Annual Backyard Barbeque with Musical entertainment by Moshe.

Club members also do "good" for the community. We have saved thousands of pop-tops for Shriners Children's Hospitals. For the veterans program, Stamps for the Wounded, our members save stamps from their mail. In summer we donate school supplies to the local program, Shining Lights Helping Hands. At holiday time instead of having a grab bag, we donate toys to the Marine Corps League Toys for Tots drive.

As May brings Wildfire Awareness Month to many regions, it's essential for us all to be proactive in preparing for the upcoming wildfire season. With temperatures rising and vegetation drying out, the risk of wildfires becomes heightened, underscoring the importance of planning and prevention efforts.

During wildfires, embers pose a significant threat to homes, making it imperative for each of us to take preventative measures to safeguard our community. Here are some crucial tips to incorporate into your wildfire preparedness plan:

1. **Inspect Your Home's Exterior:** Regularly inspect and maintain your home's exterior by cleaning chimneys, gutters, and stove pipes. Keeping these areas clear of debris can significantly reduce the risk of ember ignitions.
2. **Maintain Tidy Storage Areas:** Properly store flammable liquids in designated containers, and ensure that storage areas are kept tidy and free of clutter. This simple step can help minimize fire hazards and prevent the spread of fires.
3. **Create Defensible Space:** Maintain a clear perimeter around your home by keeping dry grass, leaves, and brush at least 30 feet away. Additionally, space trees at least 10 feet apart to prevent fires from spreading rapidly.

By implementing these measures and remaining vigilant, we can enhance the resilience of our community against wildfires. Let's work together to ensure that our homes and surroundings are adequately prepared for the challenges that lie ahead.

Thank you for your cooperation and commitment to protecting our community.
